

Vice Chancellor's Message

Prof Vinay
Pathak, VC,
CSJMU, Kanpur

With great pleasure. I welcome students to Chhatrapati Shahu Ji Maharaj University for their higher studies. Joining a university for higher education is not only an important juncture in the life of any student, but also

ling of an era with newer horizons waiting to unfold. At CSJMU we are aware of the multiple needs of our youth, who, along with intellectual growth, simultaneously seek broadening of professional and entrepreneurial skills. Keeping pace with NEP 2020 recommendations for holistic development of students, we offer programmes that best suit the needs of today's youth.

About the School

The school of Arts, Humanities & Social Sciences, CSJM University is a thriving center for teaching and research. The School is driven towards building an aware, sensitive, and skilled citizenry who contribute to an equitable and egalitarian nation building. Through teaching, research, and extension activities, the School aims to bring social sciences and its allied disciplines closer to the needs and lived realities of the masses. The School offers graduate programmes in the disciplines of sociology, psychology, philosophy, economics and political science. The courses offered are in accordance with the NEP2020 guidelines, and follow the CBCS (Choice Based Credit System) pattern of assessment. Keeping pace with NEP2020 recommendations for student-centric learning, our courses include interdisciplinary as well as ability enhancement courses for the students' holistic development.

ABOUT THE DEPARTMENT

Department of Lifelong Learning

The department of Lifelong Learning and Extension at Chhatrapati Shahu Ji Maharaj University was established on October 24th, 1988 by University Grants Commission. It was founded to train the adults of the society in the disciplines to increase their employability. The other objective of the department is to familiarize people about the socio-political dimensions of being. Currently the department is offering B.A. (Honours) in Psychology, Philosophy, Political Science and B.A. Programme at graduation level.

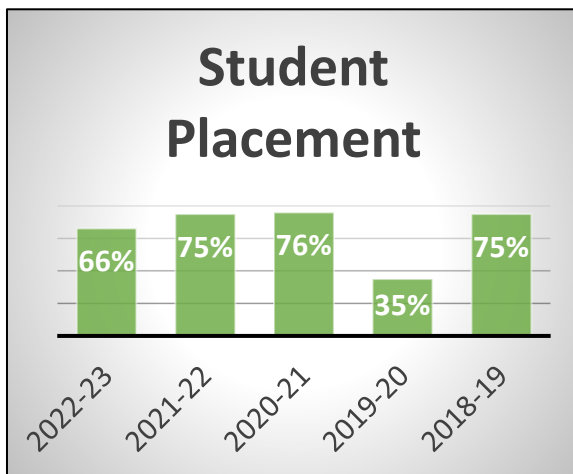

Department of Social Work

The Department is proud of its longstanding service to the professional, academic and marginalized communities. Since its foundation, the Department's staff and students have been committed to furthering social justice and equality as well as conducting excellent research and teaching. B.A. (Honours) Sociology programme is currently being offered by this department at graduation level. By providing a curriculum that is relevant to a variety of social settings and issues, we hope to attract the best and brightest students as we prepare them for the future careers and lives as engaged citizens.

Department of Economics

The Department of Economics under the School of Arts, Humanities and Social Science at present is offering B.A. (Honours) Economics programme at graduation level. The department has eminent and skilled faculty members to train the students in accordance with the need of the job market.
