Sounds when stretched is Music.
Movement when stretched is Dance.
Mind when stretched is Meditation.
Life when stretched is celebration

-Pandit Ravi Shankar

About the Department (Music / Performing Arts)

The department of Performing Arts is running successfully from last 19 years up to P.G level many students got reputed jobs, many of them become successful artists and many of them qualified NET/JRF and pursuing Ph.d in Music.

This Department has constantly been in the process of enhancing the skills of our students, which leads to an increase in their productivity and output. Keeping these in mind, the institute always strived to innovate and introduce new courses from time to time.

The Department has introduced special courses, which are job-oriented in keeping with the objectives of the University. Many Diploma and Short-Term Courses have been introduced to fulfill this purpose. There has also been an exchange programme with the other Universities. In this sense, the Department can rightly claim to have attained a unique status vis-à-vis expanding the horizons of Indian classical music far outside of our borders. As the saying goes, music has no boundaries.

Dance & Music being foremost, a practical art, special attention and continuous stress is laid on achieving excellence in performance, not only amongst the students, but also upon the teachers as well. ***It has recently achieved an esteemed NAAC A++ accreditation and earned recognition as a Category-1 University in the UGC list.***

VISION

The department aims to provide appropriate pedagogies including class size (Instrument, Classroom & Technology) that will lead to student retention. We also prepare students with the classical & all types of music and appreciate genres in music.

Introducing “ **VANI THE BAND** ” the musical Band of CSJM University & “ **MUSIC STUDIO** ” & “ **MUSIC MUSEUM** ”.

MISSION

The department of performing arts provides students high quality of education and prepares the students to perform on various fields. We also encourage students to acquire the complete theoretical and practical knowledge of the subject.
