School of Engineering and Technology (UIET), CSJM University, Kanpur Materials Science and Metallurgical Engineering (MSME) Department

UGC Category - I

Programs Offered

- B.Tech. Materials Science and Metallurgical Engineering (4 Years)**
- M.Tech. Nanoscience and Nanotechnology (2 Years)**
- Diploma Metallurgy and Materials Technology (3 Years)**

Specializations

- Physical Metallurgy
- Mechanical Metallurgy
- Extractive Metallurgy
- Process Metallurgy
- Corrosion Engineering
- Materials Science

Department Laboratories

- ❖ Materials Characterization Lab
- ❖ Powder Metallurgy Lab
- ❖ Metallography Lab
- ❖ Microscopic Lab

- ❖ Corrosion Engineering Lab
- ❖ Ceramic Lab
- ❖ Furnace Lab
- ❖ Computer lab

- ❖ B. Tech. in MSME at UIET is unique in UP, except IIT's.
- ❖ Job opportunities under this branch is more than the students graduated per year.
- ❖ Around 200 students are graduated per year in north India under this branch.
- ❖ Students get admission in IIT's (M.Tech./ Ph. D. courses) on basis of GATE score.
- ❖ University placement Cell is fully dedicated to provide job assistance to each and every student.
