Programme Learning Outcomes (PLOs) for Doctor of Philosophy Degree (PhD)

Program Learning Outcomes

The PhD programme will encourage students to develop their analytical abilities and obtain a deeper understanding of their topic. Additionally, it will foster in students a holistic approach to management and aid in the development of self-learning abilities. Scholars who successfully complete the programme will be able to:

- I. Analyse a body of existing research literature critically to find directions, trends, and gaps.
- II. Produce new information by using effective research planning and execution.
- III. Become an expert in a body of knowledge suitable for research and teaching in both academic and extra-academic settings.
