PROF. ANSMU YADAV

(DIRECTOR OF SBM)

Course Outcomes:

"Team Management"

ABOUT THE COURSE Team management is the ability of an individual or an organization to administer and coordinate a group of individuals to perform a task. Team management involves teamwork, communication, objective setting and performance appraisals. Teamwork helps solve problems. Collaboration within a group can help solve difficult problems. Brainstorming is a good opportunity for the team to exchange ideas and come up with creative ways of doing things. By working together, teams can find the solutions that work best
