

## COURSES ADDRESSING SOCIAL ASPECTS OF SUSTAINABILITY

(2025-26)

Based on the academic offerings listed in the course catalogue, **100+ courses** were identified across various programs that align with these social sustainability themes in last few years. These courses contribute to students' understanding of the societal impact of their disciplines and encourage socially responsible behavior, a core pillar of sustainable development.

The attached list includes the following details for each course:

- Course code
- Course title

These courses serve as a strong foundation to justify the institution's commitment to providing **mandatory or embedded training on social aspects of sustainability** for students across disciplines.

Course code	Course name
