

THEATER

Established in 2006: University Theater aims to introduce students to the various periods of development of Indian theatre and the different sources of influence. The university is equipped with both open-air theatre and auditorium. The theatrical society will bridge between the traditional and the contemporary art.

The students are given ample opportunities to watch and study plays and interact with theatre personalities at various festivals, performances and seminars thereby exposing them to current theatre practices. Fieldwork and field projects are given adequate importance in the programming of the Academy.

The students are encouraged to understand creative processes, organizational and administrative aspects as well as marketing values of theatre arts. Our teaching faculty consists of teachers of national and international reputes. The aim of theatre in university is following;

- To provide adequate professional understanding about Acting, Production, Direction, Stagecraft, Playwriting and Theatre Criticism with adequate emphasis on theory and practical.
- To inculcate training and a practical approach using modern technology in the fields of Theatre and the performing Arts.
- To train all round theatre professionals who will provide leadership to the theatre culture of the country and work as facilitators for national and international theatres.
