To,

**Amar Ujala Foundation**

Kanpur,

Uttar Pradesh.

Subject: Collaboration for Conducting evaluation of ongoing projects.

Greetings from the Department!

We hope this letter finds you in good health and high spirits. We are glad to get your proposal for collaboration to conduct a programme focused on **evaluation of ongoing projects under Global Diabetes Walk , Uttar Pradesh**. We greatly admire the work that **HCL Foundation** has been doing in the field of health, education, sanitation, women empowerment etc and believe that a partnership between our organizations can make a significant impact in tackling this pressing social issue.

We envision a joint effort that combines our collective strengths, expertise, and resources to create a comprehensive programme that raises awareness, educates the community, and provides tangible solutions to combat social issues. By joining forces, we can enhance the effectiveness of our initiatives and reach a wider audience with a unified message of hope and change.

Thanking You.

Regards,

(Dr. Sandeep Kumar Singh)
