To,

**Servants of People Society  
Cuttack  
Odisha.**

Subject: For Youth Integration Camp at Cuttack, Odisha.

Greetings from the Department!

We hope this letter finds you in good health and high spirits. We are glad to get your proposal for collaboration with Department of Social Work to Youth Integration Camp from November 07-12, 2016 at Cuttack, Odisha. In this programme our students will be representing CSJM University and will be participating in Street Plays, Cultural Activities, Youth Development related activities and also supporting the SOPS team in organizing this event and making it successful. We greatly admire the work that **SOPS Organization** has been doing in the field of social sector and believe that a partnership between our organizations can make a significant impact in tackling this pressing social issue.

We envision a joint effort that combines our collective strengths, expertise, and resources to create a comprehensive programme that raises awareness, educates the community, and provides tangible solutions to combat social issue. By joining forces, we can enhance the effectiveness of our initiatives and reach a wider audience with a unified message of hope and change.

Thanking You.

Regards,

(Dr. Sandeep Kumar Singh)

In-charge

Department of Social Work
