Greetings from the Department!

We hope this letter finds you in good health and high spirits. We are glad to get your proposal for collaboration to conduct a lecture on **memorial lecture on 148th birth anniversary of rajarshi Chhatrapati Shahu ji Maharaj**. We greatly admire the work that **Shivaji University** has been doing in the field of education and believe that a partnership between our organizations can make a significant impact in tackling this pressing social issue.

We envision a joint effort that combines our collective strengths, expertise, and resources to create a comprehensive programme that raises awareness, educates the community, and provides tangible solutions to understand the work of **rajarshi Chhatrapati Shahu ji Maharaj** in the field of education and empower the marginalized community. By joining forces, we can enhance the effectiveness of our initiatives and reach a wider audience with a unified message of hope and change.
