Subject: Regarding approval for Memorandum of Understanding with an International Organization named Research Triangle Institute (RTI) India.

Respected Ma'am,

We would like to inform you that department is in a process to do a Memorandum of Understanding with an international organization's India branch named Research Triangle Institute Global India Private Limited (RTI). RTI International (formerly Research Triangle Institute) is a non-profit organization headquartered in the Research Triangle Park in North Carolina that provides research and technical services. It was founded in 1958 with \$500,000 in funding by local businesses and the three North Carolina universities in the Research Triangle region. We have made a draft in collaboration with the organization and submitting it to you for your kind consideration and your valuable inputs.

Therefore, ma'am, please have a look on this MoU and give your valuable inputs to us to proceed it further.

Thanking You.
