**Research Advisory Committee**

As per the Ph.D. ordinance-2021 of our university, clause 8

8.01 There shall be a Research Advisory Committee, or an equivalent body comprising of the coordinator nominated by the Vice-Chancellor as the Chairman, Convener and one subject expert nominated by the Vice-Chancellor for each subject. This Committee shall have the following responsibilities:

- (a) To review the research proposal and finalize the topic of research
- (b) To guide the research scholar to develop the study design and methodology of research and identify the course(s) that he/she may have done.
- (c) To periodically review, and assist in the progress of the research work of the research scholar.

8.02 The candidate shall submit a progress report every six months to the University through the Supervisor from the date of Ph.D. registration. A research scholar shall appear online/offline before the Research Degree Committee/Research Advisory Committee once a year after approval of his/her synopsis to make a presentation of the progress of his/her work for evaluation and further guidance. The six-monthly progress reports shall be submitted to the RDC/RAC for evaluation and remarks/comments.

8.03: In case a candidate fails to submit his/her progress report on time, the Vice-Chancellor would decide those cases in consultation with RDC.

In case, the progress of the research scholar is found unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the research scholar fails to implement these proposed corrective measures, the Research Advisory Committee may recommend to the University specifying reasons for the cancellation of the registration of the research scholar.
