## *To whom it may concern*

This is to certify that interns of B.Ed. II year session (2021-22) of Department of Education, CSJM University, Kanpur, have completed their four months internship in this institution.

During internship, they have participated in organizing curricular and co-curricular activities such as teaching, supervision and assessment in home exams, organizing science exhibition, sports and cultural activities etc. They are laborious, sincere and regular as per the regulation of university.

I wish them success for their future.
