Impact of Student Support activities

Initiatives such as scholarships and freeships, career counseling and guidance for competitive examinations, capacity development and skills enhancement activities, and redressal of student grievances can have a significant impact on students in the university. By investing in these initiatives, universities can create a more inclusive and equitable educational system that benefits all students, regardless of their background or financial situation.

Scholarships and freeships: These initiatives provide financial assistance to students who may not be able to afford the cost of tuition and other expenses. This can have a significant impact on the lives of students by helping them to pursue their education without financial burden. Students who receive scholarships and freeships are more likely to graduate on time, and achieve better academic results.

Career counseling and guidance for competitive examinations: These initiatives provide students with the knowledge and skills they need to navigate the job market and pursue their chosen careers. Career counseling helps students to identify their strengths, interests, and goals, and provides guidance on how to achieve them. Guidance for competitive examinations helps students to prepare for entrance exams and competitive exams, which are often required for admission to postgraduate programs or employment in certain fields.

Capacity development and skills enhancement activities: These initiatives help students to develop the skills and knowledge they need to succeed in their academic and professional lives. Capacity development activities include workshops, seminars, and training programs that focus on specific skills, such as research skills, communication skills, and leadership skills. Skills enhancement activities may include internships, community service, and extracurricular activities that allow students to gain practical experience and apply their knowledge in real-world settings.

Redressal of student grievances: These initiatives provide a mechanism for students to raise concerns and seek resolution for issues they may be facing. This can range from academic issues, such as grading disputes, to non-academic issues, such as harassment or discrimination. By addressing student grievances in a timely and effective manner, universities can create a supportive and inclusive environment that fosters student success.

Overall, these initiatives can have a positive impact on students by providing them with the support, resources, and opportunities they need to succeed in their academic and professional lives.

STUDENT COUNCIL MEETING

The Student Council Meeting in the presence of the Honorable Vice Chancellor Sir was a significant event that provided an opportunity for students to engage with the university's leadership and discuss issues affecting the student community. The meeting was attended by members of the student council, faculty members, and representatives of student organizations.

The Honorable Vice Chancellor Sir addressed the students and emphasized the importance of student involvement in the decision-making process of the university. He acknowledged the contributions of the student council and expressed his commitment to supporting their initiatives and programs. He also encouraged the students to continue working towards creating a positive and inclusive learning environment.

STUDENT COUNCIL MEETING

ALUMNI SUB COUNCIL

The alumni council meeting is an important event that brings together former students to discuss and plan initiatives for the benefit of the school or university. These meetings typically involve updates on school happenings, fundraising efforts, and strategies for engaging alumni. They are also an opportunity for networking and building relationships with fellow graduates.

ALUMNI SUB COUNCIL MEETING

HOSTEL COUNCIL

A hostel council is a group of individuals who represent the interests of students residing in a hostel or dormitory. The council typically consists of elected student representatives who work together to address issues and concerns related to living in the hostel, such as maintenance, safety, and community building. The council may also organize events and activities to promote a sense of community and enhance the overall living experience for hostel residents.

HOSTEL COUNCILS

RANGOLI COMPETITION

“POWER OF HABITS” COUNSELING SESSION

SPORTS SUB COUNCIL

The Sports Council Meeting attended by students was a lively and engaging event that brought together passionate athletes and sports enthusiasts from various backgrounds. The meeting was held to discuss the current state of sports programs and facilities in the school, as well as to gather feedback and suggestions from students on how to improve them. The meeting served as an important platform for students to voice their concerns, share their experiences, and offer suggestions on how to make sports more accessible and enjoyable for all.

SPORTS COUNCIL MEETING

HOBBY CLUB COUNCIL

The purpose of a hobby council of students is to provide a platform for students to come together, share their hobbies and interests, and learn from one another. Students can organize various activities such as workshops, seminars, exhibitions, and competitions related to their hobbies. They can also collaborate on group projects, and use their skills and knowledge to create something new and exciting.

ELECTIONS AT HOBBY COUNCIL

CULTURAL FEST ORGANISED BY HOBBY CLUB COUNCIL

Deekhshotsav is a cultural festival organized by students of university. It brings together students, teachers, and parents to celebrate our diverse cultural heritage. The festival is a platform for students to showcase their talents, learn from one another, and promote cultural awareness and understanding. The festival is organized entirely by students, under the guidance of teachers. The organizing committee consists of students who work together to plan and execute the festival. They manage everything from publicity and logistics to event management and security.
