Brief Report Pariksha Ke Tanav Se Kaise Bachen

On 16 May 2018, UIHS organised the discussion on the topic Pariksha Ke Tanav Se Kaise Bachen at CSJMU Kanpur. The Lamp lightening and inaugural was witness by the presence of chief Guest prof Neelima Gupta, Dr SS Prasad, Sr Ortho Specialist, Guest Speaker Dr Ravi Kumar Registrar , Prof R S Katiyar, Institute Coordinator Dr Praveen Katiyar and Dr Anurag Mehrotra, Secretary IMA Kanpur.

Chief Guest Dr A S Prasad told students to focus on their aim in their life. For success in life give your best efforts and do not disappoint. If you are determined, loyal and perseverance, success will definitely come in your life. Prof Neelima Gupta mam in her talk told students to also focus on the eating and sleeping pattern. they should attend regular classes, demonstration and experiments in their labs.

Chief guest speaker, Dr Ravi Kumar, President of Central Zone of Indian sciatica Societies and a renowned Psychologist in his talk he also shared the indicators of stress in human body and consequences on health. He briefed on the way by which students get away from the examination stress and also gave tips to the teacher.

Dr Ravi Kumar in her talk emphasised on the role of parents and teachers in students life , they should always stand with the students in all the situations, He said 3 Cs are vert important to understand from teachers perspectives and these are:

C- Communication

C- Comparison

C- Criticism

#### **Brief Report**

Kanpur Obstetric and Gynaecological Society under the aegis of The Federation of Obstetric and Gynaecological Societies of India (FOGSI) with University Institute of Health Sciences organised one day Adolescent Health Awareness Workshop at Chhatrapati Shahu Ji Maharaj University.

Chief guest of the event was Prof Neelima Gupta Hon'ble Vice Chancellor, guest speaker Dr. Kiran Pandey and Dr Diksha Dixit. The light lamping and inaugural was Registrar Shri S K Shukla, Coordinator of the Institute Dr Praveen Katiyar, Program Coordinator Dr Sangeet Arya, Dr Bharti Dixit and Media In-charge Dr Sanjay Swarnkar inaugural of the event. Coordinator of University Institute of Health Sciences welcomes the participants and briefed about the workshop theme, he emphasised that health issues in adolescence is very sensitise and critical issue which impacts the mental and physical balance of youth.

Chief Guest Prof Neelima Gupta mam, in her speech emphasised that these types of workshops are very meaningful and important to understand the issues of adolescence and provide the appropriate solutions to them. Due to lack of guidance students get de motivated form their path, she asked students to raise their concerns and questions and freely ask the experts in the forum.

Dr Kiran Pandey in her talk, explained there is continuous growth rate in acceptance of western culture in adolescence in our country . Beside that extreme utilisation of mobile, internet Facebook, WhatsApp and social media and consuming the fast food is impacting the physical and mental state.

Other speaker, Dr Diksha Pandey, briefed about 3D's- Dream, Desire and Destination. She also informed the audience about the challenges and issues in women like Ectopic Pregnancy, Vaginal Discharge & HPV and Cancer Cervix.

She said teachers are very important character in students' life, they should talk and address the issues of the students.

Report

The Department of Education held a workshop for faculty and students pursuing B.Ed course titled '*Pedagogy for 21<sup>st</sup> Century Learners*'. The workshop was presided by by Honourable Vice Chancellor CSJMU Prof. J.V. Vaishampayan. Dr. Munesh Kumar, head of department of Education, heads and faculty members of different departments in the campus along with students pursuing B.Ed course attended the program. The audience was apprised of the increasing role of ICT in teaching methods and their impact on the learners of present times. Dr Rashmi Ghore gave the vote of Thanks.

## One Week Faculty Development Programme on Research Methodology

**Brief Report:** Internal Quality Assurance Cell (IQAC), Chhatrapati Shahu Ji Maharaj University, Kanpur organized One week Faculty Development Programme on Research Methodology for the faculty of CSJMU campus and affiliated colleges. FDP are essential for teachers in educational institutions for their professional refinement, to update their knowledge and improve their organizational and pedagogical skills. This FDP provided an opportunity to the teachers to understand the various aspects of Research Methodology. This FDP was organized from April 09, 2018 to April 14, 2018.

**Schedule for  
One Week FDP on Research Methodology  
April 09, 2018 to April 14, 2018.**

**COURSE CONTENT**

**Day-1**

- Introduction to Research: Research Philosophy and Types
- Development of deeper understanding of the dynamics of research philosophy and design and the underlying technology and proficiency

**Day-2**

- Research Design and Types
- Data collection and Data Visualization
- Literature Review and Model development
- Gap Analysis

**Day-3**

- Systematic Literature Review and Meta Data Analysis
- Introduction to different Research Methods
- Developing an understanding about Qualitative and Quantitative Data Analysis

**Day-4**

- Data Entry in SPSS
- Data cleaning and analysis based on objective
- Parametric and Non Parametric Techniques

**Day-5**

- Advanced Searching Tools and Referencing Tools
- Scientific Journal Finder
- Indexing and Impact Factors
- Ethics: Patent, Copyright and Plagiarism
- Creating Research Profile and Collaborations

*Vice Chancellor's Message*

It gives me great pleasure that the “National Workshop on Analytical Instruments-2017” is being jointly organized by the University Institute of Pharmacy and Institute of Biosciences & Biotechnology on November 9<sup>th</sup> & 10<sup>th</sup> 2017.

In this fast paced technological era, it is imperative that all those associated with imparting high quality education are cognizant with current and emerging analytical tools used in drug design & development, study of novel molecular interactions and healthcare monitoring & diagnosis. Such analytical skills help to provide an insightful investigative approach to solving technological problems by the scientific community.

This workshop will provide a practical approach to the understanding of working principles and applications of analytical instrumentation to participating personnel from Pharmacy, Biosciences, Biotechnology and allied fields of Sciences. I hope that the participants will avail this opportunity to enhance their technical skills and further disseminate the scientific knowledge in their respective Institutions.

I heartily congratulate the organizing team in taking the initiative in organizing a practical workshop like this for the first time in CSJM University, Kanpur.

I wish the workshop a grand success.

*J. V. Vaishampayan*  
3/11/17.

Prof. J.V. Vaishampayan

Vice Chancellor

# *National Workshop on Analytical Instruments-2017*

*November 9<sup>th</sup>-10<sup>th</sup>, 2017*

The Organizing committee on behalf of University Institute of Pharmacy and Institute of Biosciences and Biotechnology, would like to convey our warm welcome to you all to the National workshop on “Analytical Instruments” on 9<sup>th</sup> and 10<sup>th</sup> November 2017. We are very thankful to Honorable Vice-chancellor Prof. J.V. Vaishampayan for his encouragement and support to organize this workshop jointly. The workshop is aimed at providing the practical overview on the latest Analytical Techniques used in the field of Pharma, Biosciences and Biotechnology. Both the institutes are dedicated to provide the best of practical knowledge and skills to their students and have been disseminating the knowledge through educational programs, research activities and sharing of experiences. The workshop will provide an ideal platform knowledge sharing amongst the delegates, young generation learners with the experienced eminent professors & experts from the field of Analytics.

The participants in this workshop includes; academicians, researchers from Institutes and Industry from various regions. We are happy to say that we have received overwhelming responses against 50 seats, which made us to finally restrict the registration of participants to maximum of 60. This clearly indicates the interest of the learners working in the area of analytics and also the necessity to organize such programs on analytical techniques.

The practical demonstration of different analytical techniques will be quite effective in all the aspects to get hands on knowledge and to correlate the theory with that of practical.

We would like to thank the selected participants, the scientists from Spincotech Chennai, Anchrom, Mumbai, Bio Rad, India, as resource persons for their valued participation and interest. We wish you all a very scientific and interactive sessions and hope to have successful interactions. We convey our heartfelt thanks to the University authorities for their support to organize this event. We are very much thankful to the organizing committee members and our student volunteers for their help in organizing the event.
