This MOU is entered on 25 June 2026 by and between

School of Pharmaceutical Sciences, Chhatrapati Shahu Ji Maharaj University, Kanpur, Uttar Pradesh, India, is a university engaged in education, Pharmaceutical research and scientific development (hereinafter also referred to as SPS, CSJMJU where the expression shall where the context so admits, mean and include its successors, administrators and permitted assigns) of the first part

AND

Aakash Herbopharming Pvt. Ltd. Near Ozone City, Aligarh, Uttar Pradesh, India, a department of biotechnology(DBT) certified, biotechnology and agri-based organization focused on tissue culture laboratory development, micro propagation, herbal product development, agricultural biotechnology and skill development activities (hereinafter also referred to as AHP where the expression shall where the context so admits, mean and include its successors, administrators, subsidiaries, joint ventures, collaborations and permitted assigns)

This MOU aims to document the areas and modes of collaboration and other terms and conditions for the mutual understanding:

Objectives

1. To further the cause of research and development in Biotechnology, Agricultural Sciences, Tissue Culture and Herbal Technology
2. To support collaborative work related to scientific development, technology generation and innovation
3. To strengthen agriculture-oriented biotechnology, herbal product development, skill development and tissue culture activities of both organizations

B. Modes of Collaboration

- Participation in skill development programmes, technical workshops and biotechnology-based activities organized by either organization
- Providing access to laboratory, research and biotechnology-related facilities of both organizations on mutually agreed terms
- Joint support for research projects by way of technical evaluation, sample processing or specialized analytical work on a per-project basis

- Jointly write/apply for grants and projects from various Indian and International funding agencies relating to agriculture, biotechnology, tissue culture and herbal technologies
- Explore public-private partnership models and projects to create/strengthen research, training, skill development and biotechnology-based product development
- Exchange technological and scientific knowledge through meetings, seminars and scientific interactions
- **School of Pharmaceutical Sciences, Chhatrapati Shahu Ji Maharaj University, Kanpur**, will allocate a predefined and dedicated space within its campus for conducting research-oriented activities related to biotechnology, agricultural biotechnology, herbal technology and tissue culture. This space will be supported with the necessary infrastructure and facilities required for smooth execution of collaborative programmes. Akash Herbopharming Pvt. Ltd. (AHP) will provide ongoing technical support, scientific inputs, process optimisation guidance and regular supervision to ensure effective functioning of all joint activities undertaken under this MOU.

C. Terms and Conditions

- The modes of collaboration listed in point no. B above are indicative in nature and may be extended further based on the mutual understanding of both organizations.
- Permission for participation in various programmes, projects, services etc. may be granted by the authorized head of the respective department under the aegis of this MOU
- Any commercial terms/payments related to biotechnology, analytical work or project support will need separate approval
- All training programmes, guest lectures, workshops and related academic activities organized under this MOU shall be financially supported by **School of Pharmaceutical Sciences, Chhatrapati Shahu Ji Maharaj University, Kanpur**. Akash Herbopharming Pvt. Ltd. will provide technology sharing, technical expertise and scientific inputs free of cost. However, AHP shall not bear any responsibility or liability for accommodation, travel, food, logistics or any other expenses related to students or participants involved in these programmes.

D. Confidentiality

Both organizations recognize and accept that certain confidential information of the other may come into their possession pursuant to this Agreement. Both parties agree that all such confidential information as also the terms of this Agreement will at all times be kept strictly confidential and will not be divulged to any third party.

E. Duration

This MoU shall be valid for a period of five (5) years from the date of signing, unless extended by mutual consent of both parties.

F. Liability

There shall be no direct/indirect liability of either organization arising out of this MOU except for any commercial terms agreed separately.
